We can now send all kinds of plants and trees by mail and you can pay the mail carrier. All you have to do is to make out your order tell us just what you want, we will add in the postage to your bill and send along. By sending the trees C. O. D. this way you will have them insured. We pack your trees so they are sure to reach you in the best of shape. However we can not send 4 to 5 foot trees by mail unless cut back and really do not like to send them by express C. O. D but anyhow we will risk it and send them along.
